Competition Format and Rules

Formato y reglas de la competencia / Format et règles de compétition

As of SAT 17 SEP 2018

Youth Olympic Competition Format

There are four events in the Cycling competition at the Summer Youth Olympic Games Buenos Aires 2018:

- Women's Combined
- Men's Combined
- Mixed BMX Racing
- Mixed BMX Freestyle Park

Women's and Men's Combined:

Both riders of a team compete in three road cycling race types: Road Race (RR), Criterium, Team Time Trial (TTT) and two Mountain Bike race types: Cross-country Eliminator (XCE) and Cross-country Short Circuit (XCC).

In each individual race type (XCE, XCC, RR and Criterium), points are allocated to riders based on their ranking in the race. For TTT, points are allocated to teams based on their ranking.

- Cycling Road - Team Time Trial:
 - Teams start at given intervals to cover a distance of about 7km. Times are taken on the second rider of each team crossing the finishing line. The team with the fastest time is the winner.
 - Ties remain as such, if the teams have the same time to the nearest 1/100th second
- Mountain Bike - Cross-country Eliminator:
 - This is a direct elimination event and is held on a circuit of around 800-1000m which will take around 1min30 for the men and 2min for the women
 - All riders complete a one lap time trial qualification run, and the fastest 32 riders progress to the Finals
 - Finals: 1/8 Finals, 1/4 Finals, 1/2 Finals, Small Final and Big Final are held over one run. There are four riders in each heat. The top two riders from each heat advance to the next phase. The two best riders in each heat of the 1/2 Finals will advance to the Final and compete for places 1-4. The losers of the 1/2 Finals will compete in the Small Final for places 5-8.
 - Men and women can compete alternately in order to give them time to rest between each race
 - If two or more riders have the same time (to the nearest 1/1000th second) after the qualification run, ties will be broken by considering the team time trial results
 - If a photo-finish cannot break the tie within a run of the 1/8 Finals, 1/4 Finals, 1/2 Finals, Small Final and Big Final, the tie will be broken by the rank from the qualification run
- Mountain Bike - Cross-country Short Circuit:
 - Held on a circuit of around 1.5km which will take approximately three minutes (Men) - four minutes (Women). The time will be taken for the first lap, and then a lap board will be shown announcing the number of laps to go, calculated to give race times of approximately fifteen minutes for the Qualification and approximately twenty minutes for the Final.
 - In the qualification there are two heats of 20 riders for each gender, the top 10 in each heat progress to the Final
 - The programme could possibly be reduced by removing the qualification races and having a direct 40 rider Final only
 - Ties remain as such, if they cannot be resolved by electronic means
- Cycling Road - Road Race:
 - Mass start, the first rider crossing the finish line at the end of the total distance is the winner
 - The distance for the men's and women's road race will be the same. Men and women will complete three laps of about 20km.
 - Ties remain as such, if they cannot be resolved by photo-finish

• **Cycling Road - Criterium:**

- The Criterium is a combination of endurance and speed. There is a mass start with a set number of laps (16x2.25km) to cover and a set number of intermediate sprints to collect points. Points are awarded to the first four riders crossing the line every four laps of the circuit (5 points for first, 3 for second, 2 for third and 1 point for fourth). Double points will be awarded in the final sprint (10, 6, 4, 2 points). There are four sprints in total.
- If at the moment of a sprint considered for classification, one or several riders catches up with the main bunch, these riders will be considered as having gained a lap. However, the points awarded for this sprint shall be given to the riders of the group behind or to those ahead of the bunch.
- The winner is the rider with the most laps completed. In the case of a tie on laps, the number of points won shall decide. In the case of a tie on laps and points, the number of wins during the intermediate sprints shall decide. If the riders are still tied, the place during the final sprint shall decide.
- Riders that cannot be separated by the photo finish for a sprint will receive an equal placing and equal points for that sprint.

• **Points scale:**

Rank	TTT	XCE	XCC	RR	Criterium
1	100	100	100	100	100
2	80	80	80	80	80
3	65	65	65	65	65
4	50	50	50	50	50
5	40	40	40	40	40
6	30	30	30	30	30
7	25	25	25	25	25
8	20	20	20	20	20
9	15	15	15	15	15
10	10	10	10	10	10
11	8	8	8	8	8
12	6	6	6	6	6
13	4	4	4	4	4
14	3	3	3	3	3
15	2	2	2	2	2
16	1	1	1	1	1

- In case of a tie in any of the events types, all points that would be allocated to those rankings will be shared equally among the tied riders/teams. E.g. if two riders are tied for 4th place, they will each be awarded 45 points ($50+40 = 90/2 = 45$ points).
- If a rider withdraws (DNF) he will be allowed to race in the remaining races
- The Commissaires' panel will decide if a Disqualified (DSQ) rider is allowed to continue racing
- If there is a no-show for medical reasons, the rider will be able to take part in the remaining races only if he can present a medical certificate approved by the appointed UCI doctor

Mixed BMX Racing:

- There are 16 teams composed of one man and one woman from the same NOC.
- Men and women compete separately
- There are direct Semifinals held over three runs (no seeding run). The top four riders from each semifinal heat (group) qualify to the Final which is over one run. In the semifinals, a rider will receive points (score) equal to his rank (finish position) in each run.
The four riders with the lowest total points earned in the three runs in a phase qualify to the next phase. The remainder are eliminated.
- Men and women can compete alternately in order to give them time to rest and return to the start ramp
- Semifinals: If a photo-finish cannot break the tie within a run, the riders will share the same rank. If two or more riders within the same heat have the same number of points after three runs, ties will be broken:

- 1. By results in Run 3 (if applicable)
- 2. By results in Run 2 (if applicable)
- 3. By results in Run 1
- 4. By gate selection order of Run 1
- Final: If a photo-finish cannot break the tie, riders will be given the same rank.
- A results summary by gender is calculated at the end of the event, and points are awarded based on the final rank. The mixed team classification is calculated by adding the points awarded to each team member. The team with the highest number of points will win the event.
- Points Scale (ranks 1-16): 100 - 80 - 65 - 50 - 40 - 30 - 25 - 20 - 15 - 10 - 8 - 6 - 4 - 3 - 2 - 1
- In case of ties, points will be shared among the tied riders. For example in case of a tie for 4th place, both riders will be awarded 45 points ($50+40 = 90/2 = 45$ points).

Mixed BMX Freestyle Park:

- There are eight teams composed of one man and one woman from the same NOC (if the NOC can enter one rider of each gender) or different NOCs.
- Men and women compete separately. The competition for each gender is divided into the following phases: Seeding, Qualification and Finals.
- Seeding phase: Consists of two seeding heats of four riders; the composition of these heats is determined randomly. The start order within each heat is also randomly determined. The results of the seeding heats shall be used to determine the composition of the Qualification phase of the event. Within each heat, each rider makes two runs of one minute.
- Qualification phase: Consists of two qualification heats of four riders. Qualification heat 1 consists of the riders ranked 5th through 8th in the Seeding phase. Qualification heat 2 consists of the riders ranked 1st through 4th in the Seeding phase. Within each heat, the riders start in reverse order of their ranking from the Seeding phase. Within each heat, each rider makes two runs of one minute. The four riders with the highest scores in the Qualification phase advance to the Big Final. The remaining four riders advance to the Small Final.
- Finals phase: Consists of two finals heats: a Big Final which determines places 1 - 4 in the Final Classification of the competition, and a Small Final which determines places 5 - 8. Within each heat, each rider makes two runs of one minute.
- Each of the three judges scores each rider between 0.00 and 99.99 points for a particular run. The official score for that run is calculated as the average of the scores given by each judge.
- For Seeding and Qualification, the total score is calculated as the average score from both runs (average of official score run 1 and official score run 2). For Finals, the total score is the best score from either of the two runs (highest of official score run 1 or official score run 2).
- In case of a tie, the judges shall discuss which rider had the better performance and the score will be adapted before it is published.
- Points are awarded based on the final rank. The mixed team classification is calculated by adding the points awarded to each team member. The team with the highest number of points will win the event.
- Points Scale (ranks 1-8): 15 - 10 - 8 - 6 - 4 - 3 - 2 - 1

Differences between the UCI Junior World Championships and the Summer Youth Olympic Games

Cycling at the Youth Olympic Games is a team competition, with two Combined (men and women) and two mixed team events. The UCI Junior World Championships are based on individual events only.

Changes since the Summer Youth Olympic Games Nanjing 2014

In Nanjing 2014 there were three team events: Women's Team Event, Men's Team Event and International Mixed Team Relay. The four events and competition formats in Buenos Aires are used for the first time.

Sport Rules and Procedures
